The Celtic Cross Spread

Best used in answering a specific question

This card represents the auerent's conscious aoals and purpose, and the best outcome of those aoals. A negative card may indicate it is time to cut one's losses.

Card 5

The Best Outcome *Card* 10

Overall

Outcome

This is the most likelu result, or where everything is leading. If this card is too ambiauous, consider drawing three extra cards to clarify.

This card indicates the present heart of the matter. It includes the present environment of the guerent (both internal and external) and primary factor or dominant characteristic of the situation.

This card indicates events upcomina in the next few days or weeks. It signifies what is pending or what is gaining in significance.

Card 9

Hopes and **Fears**

This card can be confusing because so often our hopes and fears are tightly enmeshed. It can be what the auerent is afraid of, a secret desire, what they suspect is true, what theu long for, or what they're avoidina.

Card 4

Card 1 The Immediate Challenge

Card 6

The Immediate **Future**

The Recent Past

This card indicates events that have happened in the recent past, though not necessarily related to the question. It can also be something that is complete or something of

Card 3

The Foundation

This card indicates the immediate challenae facing the guerent. Even if you pull a card that seems positive, keep in mind that it represents a challenge that must be overcome.

This card represents the distant past, the root cause, and the foundation upon which the present was built. Card 8

Outside Influences

This card represents external forces that influence the situation and are beyond the control of the guerent. It could be the outside environment. how others see the guerent, or others' expectations will affect the guerent.

Card 7

Internal Influences

This card indicates the guerent as they are presently or how they could be. This includes inner feelings and underlying internal forces that are affecting the situation.
